What tjc does: Our purpose is to support KU athletic teams and the university in the greater Topeka Area. Reorganized in 1994, we provide our members the benefits listed above and serve KU by bringing the coaches to town at least once annually, organizing airport welcoming and sendoff rallies, showing our spirit during tournament time at the St. Patrick's Day Parade, sponsoring and organizing the annual TJC golf tournament which raises money to support student athletes from the Topeka area.
