## Roundball Luncheon

With the fanfare KU flags and fight-songs, Coach Bill Self and Coach Bonnie Henrickson entered the Ramada Inn ballroom for the Annual Round Ball lunch on Wednesday, December 14<sup>th</sup>. The lunch, a joint venture of the TJC and the KU Athletic Department, was attended by approximately 250 TJC members and guests, and also included the TJC Alumni pep band and staff from the KU Athletic Department.

A TJC Vice-President, Gerry McGuire, was the MC. As both coaches spoke with humor intertwined, we got a coach's view of perceived strengths and weaknesses on each basketball team. There were many questions from the audience, good food, and many valued raffle prizes. The most coveted was an autographed basketball from each team.

Couldn't attend? Look for a similar event same time next year.

## There is no "WHOOO" in the Rock Chalk Chant

There is a Facebook page which states it's mission as:

An opportunity to educate the current student population of the University of Kansas and all generations that there is not a "WHOO" or "WOO" cheer between the verses of the Rock Chalk Chant sung at various university events.

It is quickly gathering steam and is nearing 900 members as I type this. If you would like to show your support for this movement, go to facebook and do a search on "There is no WHOOO in the Rock Chalk Chant".
