Happy New Year!

Wishing you all the very best for this coming year and thank you for becoming and/or continuing to be members of the largest Jayhawk Fan Club in the world!

TJC Watch Parties

We will continue to hold our watch parties at the Lazy Toad this year. Typical crowd size varies from the 40s to over 100 cheering Jayhawk fans. We'd like to give a big Thank-you to Todd and his wonderful staff at the Lazy Toad for putting up with this rowdy group throughout the season. Be sure to offer your thanks by ordering from the menu and tipping your wait staff generously. We currently have 10 scheduled through the end of the regular season. Always check our calendar at TopekaJayhawkClub.com for upcoming events.

Changing the info you receive

I receive press releases from KU Athletics. This is the same info they send out to newspapers, TV stations and radio. I then send this info on to you. Should you feel you are receiving too much Jayhawk information, or not enough, at the bottom of each email you receive are a couple of links you can use to either change which emails you do receive or cancel out from any or all of them. Should you choose to cancel from everything, you will not receive anything further via email from the club.

After sending out this newsletter, I will be adding Women's Basketball and Baseball to the emails I send out. The default will be that everyone will initially receive it and then you can cancel from those if you wish. Simply follow the instructions above of clicking on a link at the bottom of each email. Put a check mark in the box of those sports you wish to receive press releases on or remove the check mark of those sports you do not wish to receive emails on and then click "Update Profile".

Membership Drives

We continue to have our membership drives at Fairlawn Mall on various dates, so you can either renew or pick up this year's gift if you have already renewed. As always, we thank you for your continued support. Email notifications will be sent out prior to the upcoming dates and you can always take a peek at our calendar at TopekaJayhawkClub.com. If you have not renewed for 2019, and do not intend on doing so, this could very well be your last newsletter from us. Thank you for your past support.

Why do we wave the wheat?

Waving the Wheat is the ideal tradition: It's easy and memorable, and it looks great when thousands of Jayhawks do it at once. But what's the story behind this tradition? Spoiler alert: No one's quite sure. But we're pretty sure it started in the 1930s. And since Kansas is known as the Wheat State, it's only natural that one of KU's most celebrated traditions turns participants into waving fields of the namesake crop.

The following link leads to a short video on YouTube covering the how and why of waving the wheat: <https://youtu.be/kpdZ-xIQkA>
